

Dear Partners with Parole de Vie Quebec,

More than ever, God's sweet promises to us are a source of comfort, joy and hope! It would be easy to let ourselves be distracted from the magnificent work of Jesus for us and our position in Jesus Christ. But let us remain firmly attached to His Word of Truth and stand firm in this time of trial, having their eyes fixed on Jesus, the leader of our faith.

Due to government requirements, we had to adapt at high speed in order to continue training our students. Indeed, on March 16, we decided to close the campus and return the students to the house. But thanks to technology, we can finish the academic year online!

Thus, each morning, students connect with the teacher and continue their learning of the Bible in a very interactive way!

Students also stay connected, together through time of devotion (twice a week) and time with their counsellor (a staff member) with whom they can discuss heart to heart.

Our theme this year is more appropriate than ever!

Staff members, on the other hand, continue to work in telework and/or virtual meetings. We meet each week for a time of prayer together, to update ourselves in different departments and we take the time to reflect on our vision and our short- and long-term programs. Pray with us for God's guidance.

Online staff meeting every week!

In the absence of students, we must take over for campus maintenance.

We are currently in the process of making decisions about the summer camps for this year. We would like to ask you to pray with us that God may show us His will for our ministry.

In the meantime, we have some campus improvement and maintenance projects for the coming summer. We are preparing for the 2020-2021 school year, which will be unique because we have made the decision that the students will each have a single room on the dormitory in order to respect social distance.

We would like to thank you warmly for your faithful prayers and financial donations! Without your investment, we would not be able to continue to have an impact on Quebec's youth. We have a great need for prayer for wisdom and discernment in all decisions to be made in the current situation.

Joyfully at his service
